Little Big Horn College Center of Apsáalooke Culture and History

Cultural Center and Museum Consulting Services

Little Big Horn College is issuing a request for proposals (RFP) to provide Cultural Center and Museum Consulting Services during the design phase of the Little Big Horn College Center of Apsáalooke Culture and History.

The consultant or consultants chosen under this RFP will assist the Project Team, Advisory Committee, architect and subcontractors in determining the best and most fitting attributes of the proposed Center. More specifically, the consultant(s) will bring its expertise to the design, management, and operations of a

facility featuring Apsáalooke culture and history.

The selected party will also provide culturally-appropriate guidance for both public and tribal-members-only spaces. The engagement includes guidance on the handling, storage, disposition, access to and display of Crow objects/artifacts and how these might be reflected in the facility design and functions. The consultant(s) can be a firm, an individual or a team coordinated by one individual or firm. Given the nature of this engagement, diverse teams are encouraged. A letter of interest is due by Monday, March 4, 2024 with the full proposal due by March 15th. For the full RFP and information on how to apply, contact Tim Bernardis at tim@lbhc.edu or (406) 638-3113.

Call or email Luella Brien at Four Points Press for more information about placing a classified or legal ad, news@fourpointspress.com or 406-850-3081.
